

Aimee Brown

Little Gray Dress

Emi Harrison has avoided her ex-fiance, Jack Cabot, for nearly two years. Her twin brother Evan's wedding is about to end that streak.

From bad bridesmaid's dresses, a hyperactive sister-in-law, a mean girl with even meaner secrets, and too much to drink, nothing seems to go right for Emi, except when she's wearing her little gray dress.

When she speed-walks into Liam Jaxon's bar, things get more complicated. He's gorgeous, southern, and has no past with Emi. He may be exactly what she needs to prove for the last time that she doesn't need or want Jack!

Her favorite little gray dress has made an appearance at nearly every major event in Emi's adult life. Will it make another grand appearance when she

least expects it?

About the Author:

Aimee Brown

Aimee Brown is a writer and an avid reader. *Little Gray Dress* is her first published novel. My second novel is in the works now. She's currently studying for her Bachelor's degree in English Writing. She spends much of her time writing, doing homework, raising three teenagers, binge watching shows on Netflix and obsessively cleaning and redecorating her house. She's fluent in sarcasm and has been known to utter profanities like she's competing for a medal.

Aimee grew up in Oregon but is now a transplant living in cold Montana with her husband of twenty years, three teenage children, and far too many pets.

She would love to hear your thoughts on *Little Gray Dress*! If you'd like to chat with her she's very active on social media. You can find her at any of the networks below. Stop by and say hello!
